

# Area Energy & Electric, Inc.

Electrical Contracting Specialists

24 Hour Service  
800-373-8826

*Area Energy & Electric, Inc. is one of the leading electrical contractors in Ohio and Indiana. Our employees have made us what we are, and they are the heart of our business. Their loyalty allows us to provide our customers with the quality products and customized quality services to meet varied individual needs.*

*To help us meet those needs, we are constantly updating our equipment with the latest state-of-the-art tools and machinery needed to complete our customers' wishes.*

*We also maintain a 20,000 square foot warehouse in Sidney and 12,000 square foot warehouse in Marysville to enable us to provide on-time delivery of material to meet ever-changing market demands.*

## Industrial, Commercial & Institutional Services

*As an independent electrical contractor with our own labor personnel, we've streamlined our contracting creating a trouble-free experience for our customers while meeting critical budget and production deadlines.*
